Dear Mr. Edwards:

This is to acknowledge your very kind letter inviting me to speak to the Oklahoma City Rotary Club. I would be delighted to do so, and as my secretary has informed you by phone, I will be able to do so on 6 January 1976. Although I have a commitment in Houston early that morning, I am making arrangements for transportation in order to be in Oklahoma City in time for the 1230 Luncheon Meeting and Address. I appreciate the opportunity to present this large and influential audience with a balanced picture of one of this nation's great necessities, a strong Intelligence capability.

My office will be in touch with you again as the 6th of January draws near to give you my itinerary. I am enclosing biographic data and a photograph for your convenience, as well as some information on the Agency.

With every good wish, and until the 6th of January,

Faithfully,

Vernon A. Walters
Lieutenant General, USA
Deputy Director
